COURSE PLANNING FOR PARENTS

Wednesday, December 10th, 7:00 pm

ETHS Welcome Center - Room E112

In advance of course selection in January, ETHS Parents Engaged is hosting a meeting on course planning for the parents of current freshmen, sophomores and juniors.

Students will begin meeting with their counselors after Winter Break to begin course selection for the 2015-2016 school year. This is an opportunity for parents to ask questions before those meetings.

There will be a representative from each department and members of the counseling staff available to answer both general and specific questions.

It will begin with a Q&A panel, where parents may ask general questions about courses, followed by an opportunity for parents to talk to staff in small groups about their students' options.
